C622 CSSA LIAISON REPRESENTATIVE WEED SCIENCE SOCIETY OF AMERICA

A. Status: Special Liaison Representative

B. Composition and Tenure:

A member of CSSA is appointed for a three-year term, subject to reappointment. It is preferable that the appointee is active in the affairs of the Weed Science Society of America (WSSA) and that he/she attend meetings of that organization and of CSSA.

C. Functions:

1. To attend meetings of the Weed Science Society of America whenever feasible and to be active in furthering the programs and objectives of the Society, particularly those that are of mutual interest to the WSSA and to CSSA.

2. To inform CSSA officers and members of any activities of the WSSA, which may be of special interest to CSSA members. *CSA News* is suggested as a medium for dissemination of such information of interest to the general membership.

3. To prepare an annual report for the CSSA Board of Directors which summarizes programs and activities of WSSA during the year which may be of interest to CSSA members. Following are three general classes of subjects, with examples, that should be considered for inclusion in the report (those items selected for the report should be those with special interest to CSSA members):

   a. Organization--names and addresses of officers, formation of committees, and reports of committees.
   b. Policy--procedures for publication, including means of financing, and establishment of procedures for certifying or licensing professionals.
   c. Professional activity--plans for special symposia or meetings and publication of monographs.

4. To provide a report about the Crop Science Society of America to WSSA at such times and of such nature as may be requested by the WSSA.

D. Presidential Responsibilities:

The President of CSSA:

1. Appoints the CSSA Liaison Representative when the position becomes vacant.

2. Informs officers of the WSSA of the appointment.

3. Cooperates with the Representative in any way which will assist him/her in performance of duties.
